

Join with us in Praying for our Bishops.

Pray Lambeth aims to mobilise, inform and equip people around the world, as they pray for the Lambeth Conference 2008.

This joint initiative of SOMA UK and the Crosswinds Prayer Trust aims to provide briefings before, during and immediately after the event, with input from bishops and contributors to the conference. We also plan to circulate feedback from intercessory groups and individuals from around the world.

Our approach is not issues based. Our role is to stand in the gap - upholding all those present, that God's purposes for the bishops and the Anglican Communion will be enabled and His grace unleashed.

You do not need to be associated with SOMA or Crosswinds to receive our free prayer briefings, but if you do belong to one of our prayer groups, please let us know which group you are a member of when you sign up for the email briefings.

'I am very pleased SOMA, along with Crosswinds, have organised this prayer initiative during the Lambeth Conference.

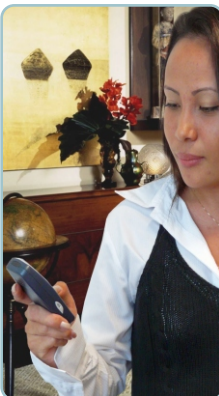

It is an important time for us in the Anglican Communion and this group of people who commit to pray for us during our meetings will play a significant role behind the scenes.

My thanks to all who have helped set up www.praylambeth.org.'

The Archbishop of Canterbury The Most Revd Rowan Williams
